All Drivers

- The speed limit within the paddock is **5 mph**. Pit lane speed limit is **25mph**.
- Children under 14 and pets must be supervised at all times.
- Do not leave any hazardous materials (used fluids, tires, batteries, etc) at the facility.
- In the interest of safety, **only licensed drivers may operate wheeled vehicles anywhere within the facility**. This includes bikes, scooters, ATV, skateboards, etc. Any vehicles being used in conflict with this policy will be **confiscated by NASA** for the remainder of the weekend.
- If you are parked on an asphalt surface, place boards under jacks, trailer legs and canopies to prevent damage. If you spill fluids get them cleaned up quickly (water on gas spills, kitty litter on oil/etc) and report the spill to a NASA official if you need help. Any damage done to the paddock facility by a participant will be the responsibility of that participant.

Friday Entry to Facility

NASA participants may arrive any time on Friday during test and tune hours. The gate will be open from then until Sunday afternoon.

Do not park in an RV spot or covered space unless you have reserved one from the track.

Food and Concessions

Concessions will be open both days for breakfast, lunch and snacks. They have ice for sale as well.

Overnight Camping

Overnight camping is permitted. NASA does not reserve/arrange the RV spots or covered parking. If you would like an RV spot, please contact the track directly here: <http://hpr-rv-carport.motorsportreg.com/>

Showers

When you are hot, tired, and dirty, go enjoy a shower!

Fuel & Tire Service

On-Site Tires will be providing tire service – 855-677-4835 – if you are going to need tires give them a call ahead of time.
