

Racer Registration & Tech Procedures

Wrist Bands

All W2W Racers must either stop at the front gate or go to Driver Info and sign the waiver. You'll receive a general admission wristband – **wear it at all times**.

This is your ticket to get on track in the race groups.

Annual Tech Inspections and Logbooks

If you do not have a 2017 annual sticker, you should attempt to have it inspected prior to arriving at the track.

At track Tech Inspection

Please note that Saturday/Sunday “at track” tech will cost \$50.

Additional Racer Info

Race Group Meetings

Each race group will have a driver's meeting immediately after qualifying in impound.

Friday Test and Tune

The track is hosting the test and tune on the Friday before our event. **Vehicles crashed or broken during the test and tune day may not be eligible for refund of NASA entry fees. You may transfer to a future event.**
